

# AVERAGE PRICE CONTRACT

---

Minimum bushels to enroll in this program is 1,800 bushel per commodity and we recommend you commit up to 20% of your anticipated production.

Our APC prices your fall 2023 corn and soybean bushels in equal quantities each Thursday between March 2, 2023 and June 29, 2023. After the 18-week pricing period, you will receive a final contract. **Luckey Farmers will charge \$.01/bu. service fee for administering this contract.**

On behalf of Luckey Farmers, we look forward to serving your needs and appreciate your past business. Most importantly we wish you a safe and successful year in 2023!
