

Director of Safety

Location: Luckey Farmers, Woodville, Ohio

The Director of Safety will develop, coordinate, and implement occupational health policies and procedures to promote and ensure effective safety operations in the organization.

GENERAL DESCRIPTION

- Develop, implement, and evaluate safety programs and policies to proactively reduce the risk of injuries and illnesses in the workplace.
- Take the lead in training new employees and identifying potential vulnerabilities within the organization's safety protocols.
- Maintain accurate documentation of safety processes, prepare progress reports, develop presentations, and create new policies when necessary.
- Address at-risk behaviors and at-risk conditions to prevent incidents and accidents.
- Train staff on new safety procedures and best practices, ensuring effective implementation.
- Collaborate with insurance carriers to ensure appropriate coverage for potential risks.
- Work closely with other departments to ensure alignment with company guidelines and safety protocols.
- Conduct thorough risk assessments at work sites to identify hazards and develop mitigation plans.
- Review employee accident reports and medical claims, assessing the need for adjustments to current safety policies or procedures.
- Provide oversight of environmental health and safety compliance, including fire safety and adherence to OSHA regulations.
- Complete all required OSHA and environmental reports accurately and in a timely manner.

GENERAL ACCOUNTABILITIES

- Extensive knowledge of Occupational Safety and Health Administration (OSHA) standards.
- Working knowledge of federal, state and local agencies including transportation, environmental and fire safety.
- Excellent written and verbal communication skills.
- Ability to conduct training.
- Excellent organizational skills and attention to detail.
- Strong supervisory and leadership skills.
- Proficient with Microsoft Office Suite or related software.

OTHER JOB FUNCTIONS

- Supports and contributes to total company goals and objectives through collaboration efforts
- Ability to work independently in a fast paced environment
- Ability to pay attention to the details
- Perform other duties as assigned
